Foreign visitors returned to Slovakia, only 5% was missing from the record numbers of foreign visitors in 2020

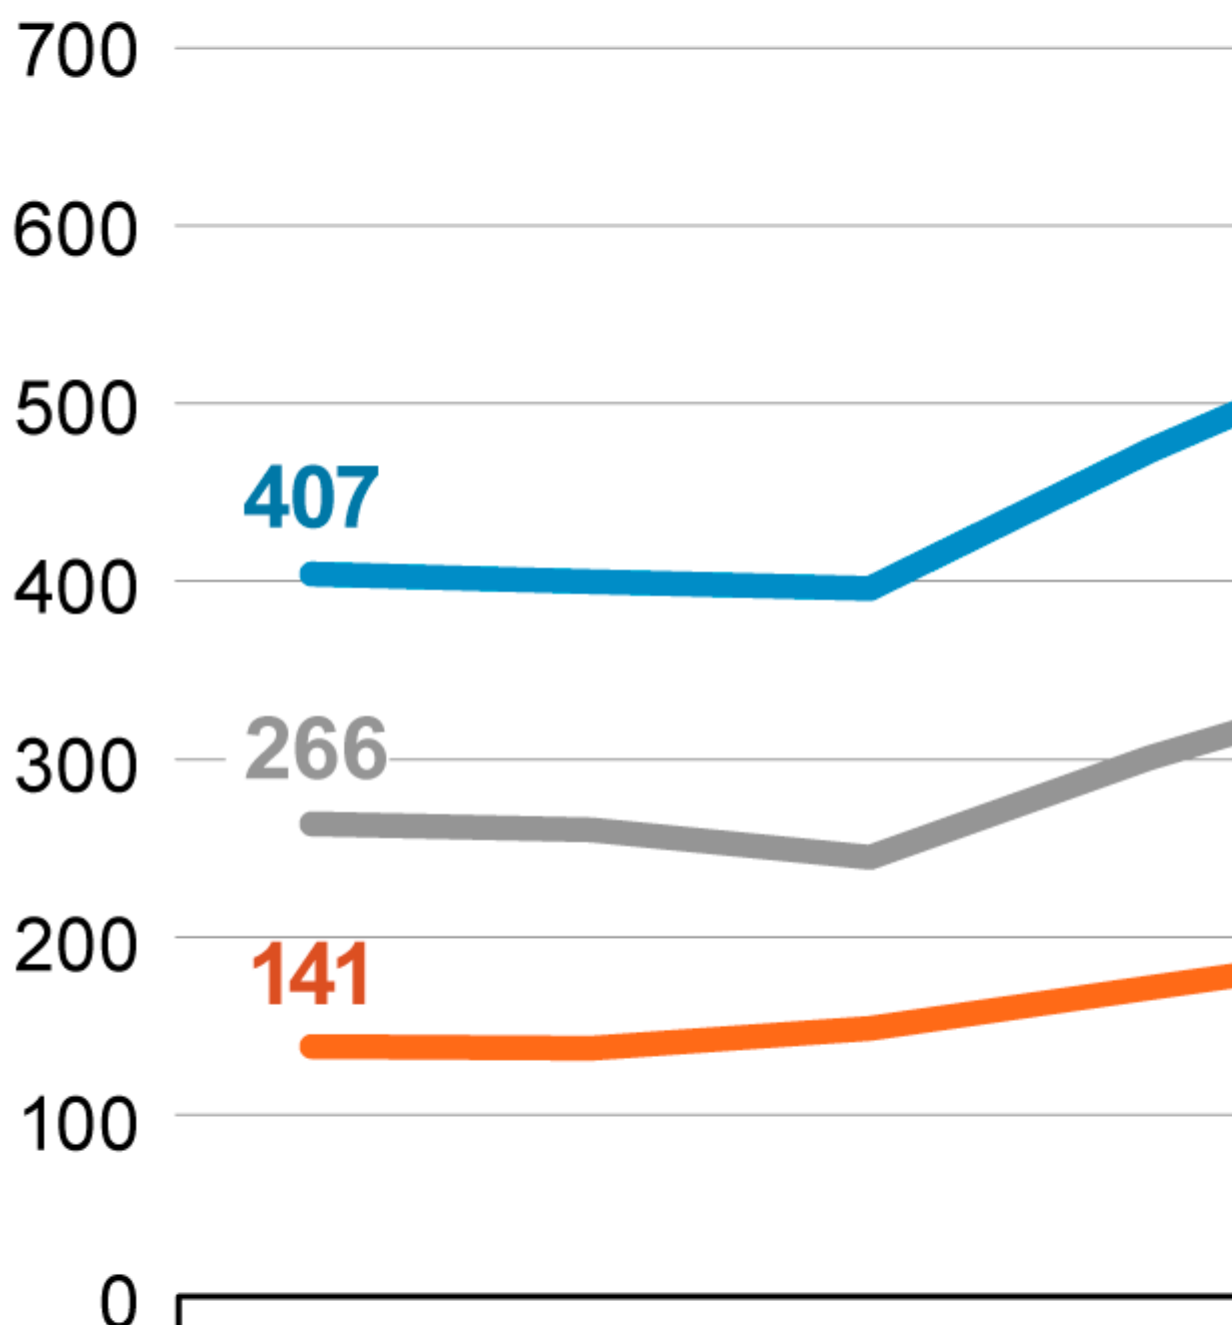

The total number of visitors to hotels and guesthouses almost reached the values from February in the successful year of 2019 in tourism. The number of foreign visitors grew year-on-year in 6 out of 8 regions, in 3 of them at a double-digit rate. Žilinský and Trnavský kraj reached a record number of foreign visitors.

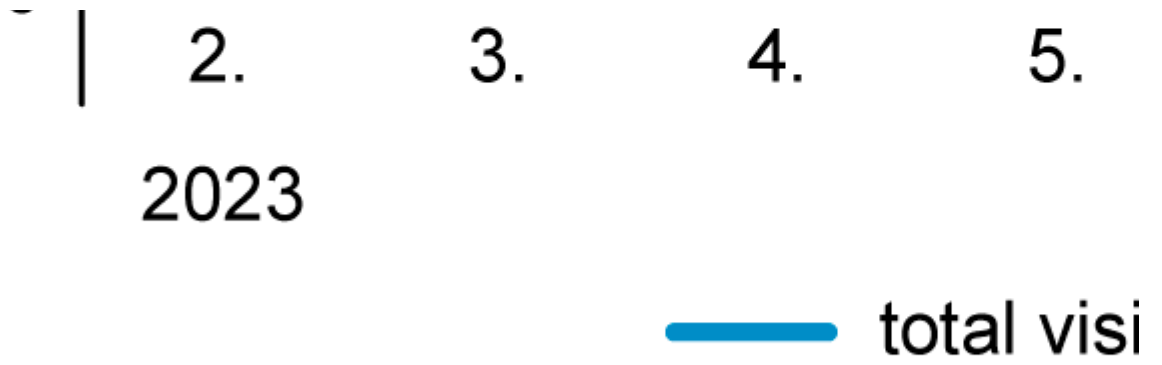

425,000 guests visited tourism accommodation establishments in Slovakia in February this year, which was by 4.5% more than in the same period last year. The number of visitors reached almost the values of the successful year 2019 in tourism, but it was still by 12% behind the values of the last February unaffected by the pandemic in 2020.

Guests spent 1.1 million nights in hotels and guesthouses, while the average length of stay in February was 2.7 nights.
