### Output prices

In *September* compared with *August*, output prices of the **domestic market** decreased by 0,3 %. Prices dropped in mining and quarrying by 1 %, manufacturing by 0,3 %. Prices of water supply, sewerage, waste management and remediation increased by 0,3 %. Prices of electricity, gas, steam and air-conditioning supply were at the unchanged level.

In manufacturing, prices of chemicals and chemical products decreased by 2,2 %, coke and refined petroleum products by 1,7 %, wood and paper products and printing by 1,1 %, electrical equipment by 0,5 %, transport equipment; rubber and plastic products equally by 0,2 %, other manufacture, repair and installation of machinery; food, beverages and tobacco equally by 0,1 %. Prices of machinery and equipment n.e.c. rose by 0,4 %, metal and fabricated metal products by 0,3 %, textiles, apparel, leather and related products; basic pharmaceutical products and pharmaceutical preparations; computer, electronic and optical products equally by 0,1 %.

In *September 2019* compared with *September 2018*, output prices of the domestic market increased by 1,3 %. Prices rose in electricity, gas, steam and air conditioning supply by 4,6 %, mining and quarrying by 3,7 %. Prices of water supply, sewerage, waste management and remediation decreased by 1,3 %, manufacturing by 0,4 %.

In manufacturing, prices of manufacture of electrical equipment rose by 6,9 %, food, beverages and tobacco by 3,2 %, basic pharmaceutical products and preparations by 2,4 %, machinery and equipment n.e.c. by 2,3 %, textiles, apparel, leather and related products; chemicals and chemical products equally by 1,3 %, metal and fabricated metal products by 0,9 %, other manufacture, repair and installation of machinery by 0,8 %, computer, electronic and optical products by 0,7 %. Prices of coke and refined petroleum products decreased by 9,7 %, wood and paper products and printing by 1,7 %, rubber and plastic products by 0,8 %, transport equipment by 0,7 %.

*Since the beginning of 2019*, compared with the same period of the previous year, output prices of the domestic market increased, *on average*, by 3,1 % due to higher prices in mining and quarrying by 7 %, electricity, gas, steam and air conditioning supply by 6,8 %, manufacturing by 1,2 %. Prices of water supply, sewerage, waste management and remediation activities decreased by 1,7 %.

In *September* compared with *August*, output prices of the **non-domestic market** decreased by 0,1 %. Prices of electricity, gas, steam and air-conditioning supply dropped by 1 %, manufacturing by 0,1 %. Prices of water supply, sewerage, waste management and remediation activities increased by 1 %, mining and quarrying by 0,3 %.

In manufacturing, prices of coke and refined petroleum products decreased by 6,8 %, other manufacture, repair and installation of machinery and equipment by 1,2 %, metal and fabricated metal products by 0,9 %, electrical equipment; food, beverages and tobacco equally by 0,6 %, rubber and plastic products; chemicals and chemical products equally by 0,2 %, computer, electronic and optical products by 0,1 %. Prices of textiles, apparel, leather and related products increased by 2,8 %, wood and paper products by 2,7 %, machinery and equipment n.e.c. by 2,5 %, transport equipment by 0,1 %. Prices of basic pharmaceutical products and preparations were unchanged.

In *September 2019* compared with *September 2018*, export prices increased by 0,6 %. Prices rose in mining and quarrying by 6,3 %, water supply, sewerage, waste management and remediation activities by 1 %, manufacturing by 0,6 %. Prices of electricity, gas, steam and air conditioning supply decreased by 1,1 %.

In manufacturing, prices of textiles, apparel, leather and related products rose by 14,5 %, other manufacture, repair and installation of machinery by 8,5 %, manufacture of food, beverages and tobacco by 3,7 %, chemicals and chemical products by 3,2 %, transport equipment by 3 %, machinery and equipment n.e.c by 0,9 %, rubber and plastic products by 0,6 %. Prices of computer, electronic and optical products decreased by 6,7 %, metal and fabricated metal products by 4,9 %, coke and refined petroleum products by 3,2 %, wood and paper products by 1,7 %, basic pharmaceutical products and preparations by 0,6 %, manufacture of electrical equipment by 0,5 %.

*Since the beginning of the year*, compared with the corresponding period of the previous year, output prices of the non-domestic market increased by 1,8 %, *on average*, affected by higher prices of electricity, gas, steam and air-conditioning supply by 11,3 %, mining and quarrying by 8,5 %, manufacturing by 1,4 %. Prices dropped in water supply, sewerage, waste management and remediation activities by 2,5 %.

### Prices of agricultural products

In *September*, prices of agricultural products were higher by 1,2 %, year-on-year. Prices of crop products rose by 1,3 %, animal products by 1 %.

In crop products, prices of potatoes increased by 36,6 %, fruit and vegetables by 1,3 % and oil-seeds and oleaginous fruits by 4,6 %. Prices of cereals decreased by 3 % and legumes by 2,9 %.

In animal products, prices of beef cattle and calves rose by 1 %, raw cow milk by 2,2 %, live fish by 6,4 % and slaughter pigs by 10 %. Prices of slaughter poultry decreased by 0,7 %, slaughter lambs and sheep by 2,9 %, raw sheep wool in pot by 26,9 % and hen edible eggs by 4,4 %.

On average, *since the beginning of the year*, prices of agricultural products increased by 2,9 % as a result of higher prices of crop products by 5,7 % and lower prices of animal products by 0,9 %.

### Construction work prices

In *September 2019* compared with *August*, construction work prices were at the level of the previous month. Compared with *September 2018*, they grew by 3,5 %. *On average, since the beginning of the year*, construction work prices rose by 4 %, year-on-year.

### Prices of construction materials and components

In *September 2019* compared with *August*, prices of construction materials and components increased by 0,4 %. *Compared with September 2018*, they rose by 1,6 %. *On average, since the beginning of the year*, prices of construction materials and components increased by 2,1 %, year-on-year.
