Request for the provision of statistical information in terms of the Act of the NC SR No. 540/2001 Coll. On State statistics in the wording of later regulations you can send to info@statistics.sk . Detailed information with regard this issue are available on the website Information and Consulting Services.

The requests of a smaller scope will be treated free of charge. In case the answer to your question would require the individual data processing, we will send you a respective price offer.

Your questions, comments relating to the activity of the Statistical Office of the SR and comments concerning the Office's website you can send to info@statistics.sk .
