
Electronic data collections

Posledná aktualizácia:16.11.2023 | Počet zobrazení:null

The Statistical Office of the Slovak Republic has launched a new, optimised Statistical Data Collection website to provide the main information space not only for users of electronic statistical data collection (eCollection). The content of the new site also provides important information on household surveys that cannot be obtained from business or administrative sources.

Please visit the website [Statistical Data Collection](#).
