### **The number of visitors to hotels and guesthouses increased only slightly, both domestic and foreign visitors rose**

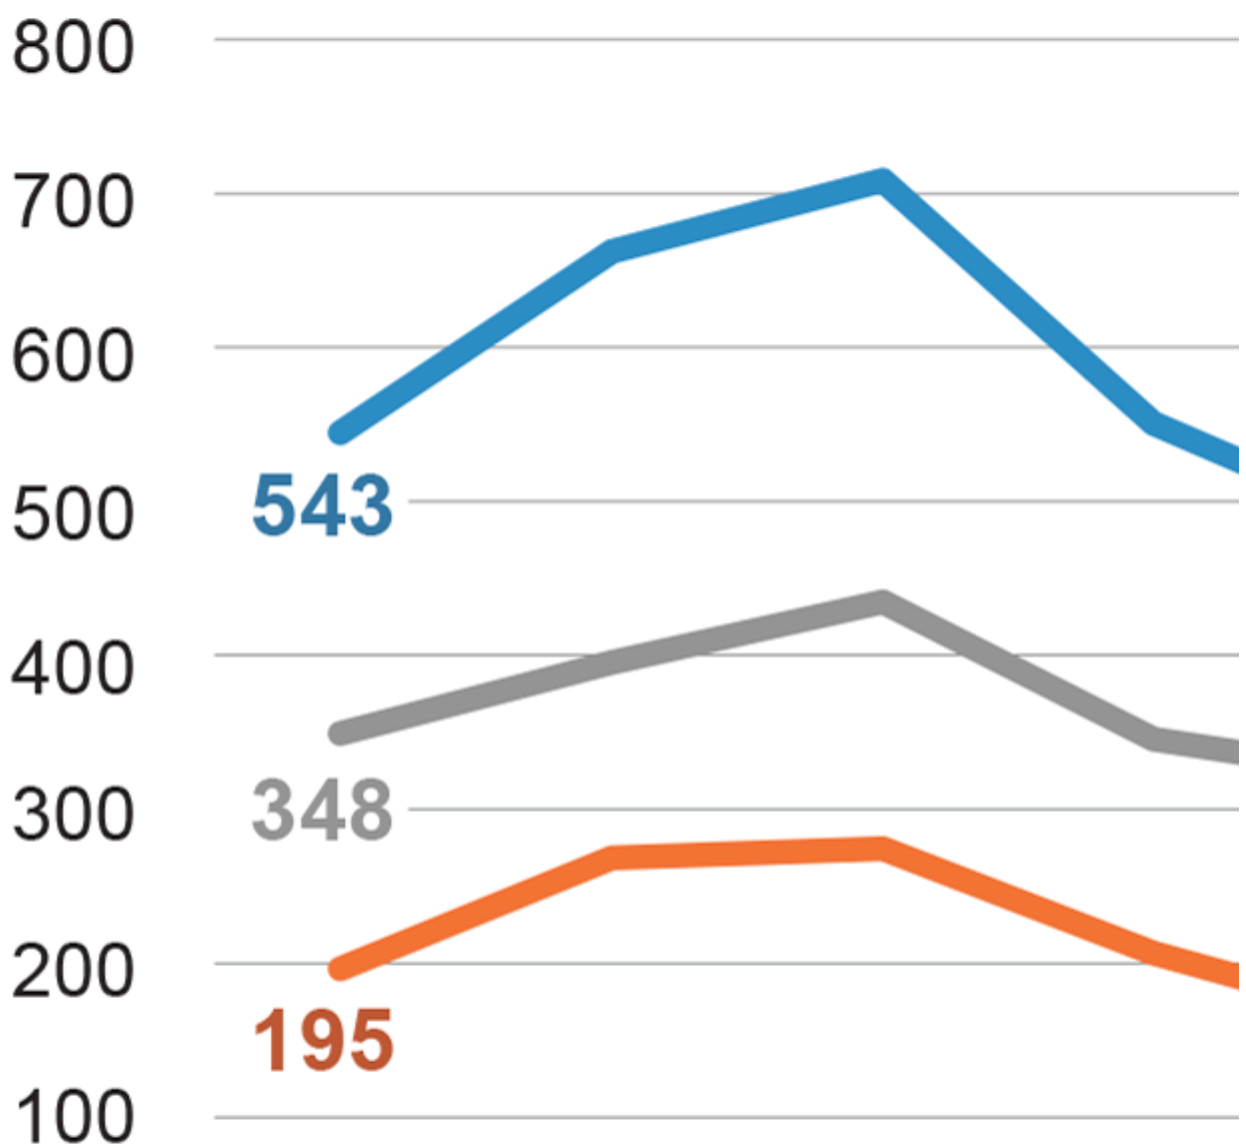

In June, the number of visitors to Slovakia's hotels and guesthouses increased by 2% year-on-year, but almost a tenth of visitors were still missing from the pre-pandemic values. The best values were recorded in Košický kraj year-on-year. Record values of the number visitors from 2019 were surpassed only by Trnavský kraj.

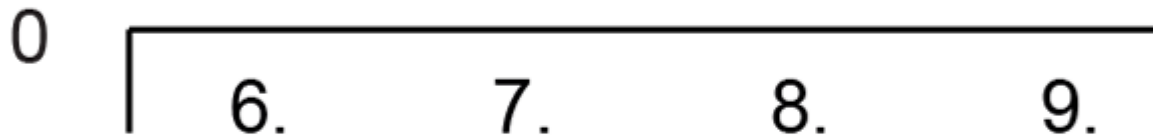

In June 2024, 554,000 people spent at least one night in hotels, guesthouses, spas and other accommodation establishments in Slovakia, which was by 2% more than in the same period last year. To reach the tourist success of 2019, accommodation providers still lacked 9.2% (56 thousand) guests. Visitors spent almost 1.4 million nights in tourism establishments, which was by 1.5% more than a year ago. The average length of stay was 2.5 nights.
