## Introduction

The regional city Košice with nearly 230 thousand inhabitants is the second largest city in Slovakia. It is administratively divided into 4 districts and 22 city parts. The town lies on the Eastern plains in the valley of the river Hornád, near the border with Hungary and Ukraine. The convenient location and rich history as well as economic and social potential predestined city to its rapid economic and population growth. Košice is a natural metropolis of Eastern Slovakia, which provides employment for the residents and the surrounding region. The city of Košice received the prestigious title of European Capital of Culture in 2013 year. After this prestigious title Košice city received another major title - the European City of Sport 2016 (in the competition of 19 European cities), as the first town in Slovakia. By supporting the development of the creative industry and information technology, Košice joined the UNESCO Creative Cities Network in 2017, when it was awarded the UNESCO Creative City of Media Arts status. The calculation is followed by an award from representatives of the European Voluntary Center in 2019 and obtaining title the European Capital of Volunteering. It was the second time that Slovakia has hosted the Ice Hockey World Championship and Košice was one of the host cities in 2019.

The first written mention of the town dates back to 1230, where the Košice is mentioned as "Villa Cassa". In 1983 the historical center was declared as a conservation area, the largest in Slovakia. Košice is an attractive tourist center with many cultural monuments, sacral buildings, museums, galleries and theatres. Košice is the seat of the Constitutional Court and other institutions of national importance. It is a significant industrial center; the production of metals and metal products, and energy industries are the key pillar. There is also a ceramic, construction, engineering and food industries. The city is a major university center. There is a rich network of services, trade, accommodation, medical and social facilities.

The publication of content builds on previous editions of issue, selected indicators are published for a longer period of time to evaluate the development of the city.

**Unless otherwise noted, data are published for the year 2021.**

The source of data is the result of state statistical reporting, special surveys and others.

## Of the city's history

### Retrospective data from censuses in 1880 - 2021

| <i>Year of census</i> | <i>Population</i> | <i>Houses</i> |
|-----------------------|-------------------|---------------|
| 1880                  | 35 248            | 2 364         |
| 1890                  | 38 817            | 2 610         |
| 1900                  | 47 178            | 3 188         |
| 1910                  | 51 509            | 3 610         |
| 1921                  | 60 266            | 3 762         |
