

30. GENDER EQUALITY

Methodological notes

Gender equality is equitable treatment of women and men, which is equivalent from point of view rights, advantages, liabilities and chances. Every person is accepted, evaluated and supported in the same rate and without discrimination.

The Statistical Office of the SR surveys, processes and provides statistical information broken down by gender on a long term. Thus making it possible to describe the phenomena affecting the status of women and men in society. The Statistical Office of the SR contributes to create and adopt measures for increasing the level of support, protection and fulfilment of equality of rights and opportunities between genders. The Statistical Office of the SR actively cooperates and participates in the activities of the Government of the SR for Gender Equality in the area of statistics.

In the Statistical Yearbook of the SR, the data on gender are mostly incorporated in the tables of the individual chapters including methodology, mainly in demographic and social statistics.

The chapter **Gender statistics** complements and extends the content of the publication by statistical data broken down by women and men for those indicators, which are not included in the relevant chapters.

The processing of the indicator the **average nominal monthly earnings** of employees has used the International Standard Classification of Occupation (ISCO – 08).

The elections in the Slovak Republic are held in line with the Act No 180/2014 Coll. on Conditions of the Exercise of Voting Rights and on amendments to certain laws.

The **elections to the National Council of the SR** were announced by the chairman of the National Council of the Slovak Republic by his Decree No 204/2023. The elections were held on 30 September 2023. The 150 members were elected to a four-year term of office.

The **elections of the President of the Slovak Republic** were held on the basis of the chairman of the National Council of the Slovak Republic by his Decree No 351/2019 Coll. in two rounds. The first round was held on 16 March 2019 and the second round on 30 March 2019. The president was elected to a five-year term of office.

The Chairman of the National Council of the Slovak Republic, by his degree No 209/2022, announced **the elections to bodies of regional self-governments and the elections to bodies of communal self-governments**, which were held on 29 October 2022.

Elections to the European Parliament were held in the Slovak Republic on 25 May 2019 on the basis of the chairman of the National Council of the Slovak Republic Decree No 28/2019 Coll. The 14 members were elected to a five-year term of office.
